Why Partner with Amoha Herbals?

Expert R&D

Customized formulation and high-performance product development tailored to modern market trends.

Quality Assurance

Rigorous in-house chemical and microbiological testing to ensure international standard compliance.

Manufacturing Expertise

Specialized production capabilities across cosmetics, colour cosmetics, hair care, and Ayurvedic formulations.

Regulatory Support

End-to-end guidance for official product licensing, regulatory filings, and legal compliance assistance.

Important Commercial Terms

- The initial package charges explicitly cover product development, standard testing, and regulatory licensing.
- Bulk manufacturing, primary/secondary packaging materials, packaging design/sourcing, GST, freight/transportation, and any additional specialized testing are charged separately, as applicable.
- Intellectual property (IP) transfer in Gold and Platinum packages is subject to the signed formal agreement and completion of applicable commercial obligations.
- Platinum product documentation is provided within the agreed technical scope and subject to mutual confidentiality requirements.
