Amoha Herbals Pvt. Ltd. offers customized contract manufacturing and private-label solutions for pet grooming, hygiene, skin care, coat care and wellness products.

We specialize in developing **herbal, Ayurvedic-inspired and scientifically formulated pet care products** for dogs, cats and other companion animals.

Our R&D team develops gentle, effective formulations using carefully selected botanical extracts, conditioning agents and pet-appropriate ingredients.

We offer a wide range of **pet shampoos, conditioners, paw balms, coat sprays, grooming products and hygiene solutions**.

Our manufacturing capabilities include liquids, gels, creams, lotions, balms, oils, sprays and powders.

We provide **custom formulation development, product trials, quality testing, stability studies and packaging compatibility assessments**.

Our services include complete **private-label branding, packaging sourcing, label designing and finished-product manufacturing**.

We support startup pet care brands, veterinary grooming businesses, pet boutiques, online retailers and established pet care companies.

Our quality control facilities support raw material evaluation, microbiological testing, finished-product testing and batch documentation.

From Concept to Commercial Manufacturing, Amoha provides end-to-end product development and manufacturing support, with species-specific safety assessments and applicable regulatory compliance.
